

Workshop Objectives

At the end of this workshop you will be able to:

1. Describe the CRSP Examination format.
2. Describe each of the 9 Modules examined.
3. Identify your competency strengths and weaknesses within each category.
4. Prepare your personal study plan in preparation for the exam.

Workshop Schedule

Day One

- Introductions
- BCRSP Overview
- Math & Science Refresher

Day Two

- Modules 1&2

Day Three

- Use the Learned Process for Modules 3-5
- Ensure you have a solid process to do your own gap analysis for 6-9

*In the
Two Day Format
This is Day One*
